Dear Friends,

As the Christmas Season approaches, we are preparing to celebrate how God sent a special message of love and peace through the birth of Jesus. All of us at Heart and Hand send you the very best wishes during this joyous and memorable time of year.

We also give thanks for all of you who are supporting the ministry programs. Your partnership is crucial and appreciated. Through your gifts to our layette program, which provides infant care items, mothers are able to better care for their babies. It is also because of your assistance that we are able to provide school supplies to area children throughout the school year. And now at Christmastime, you can celebrate because your support to our Toy Store program will provide toys and clothing for almost 200 children. Your gifts that provide resources for the variety of programs here in central Appalachia are a blessing. Our goal is to help our neighbors through our programs receive a spiritual blessing.

Together we can rejoice because this goal is being met.

The harsh winter months are before us, and we are preparing to help those families needing assistance with utility expenses and grocery purchases. Keeping the heat on in the apartment of an elderly woman living on social security income or providing some food so a child doesn't go to bed hungry are documented ways we are able to make a difference. Your help in the past and your continued support make it possible to provide these vital services. Thank you for all you are doing to assist our ministry.

In case you are looking for a special gift, we are able to provide two unique items. The information is found below in the boxes, and the proceeds are used to fund ministry projects.

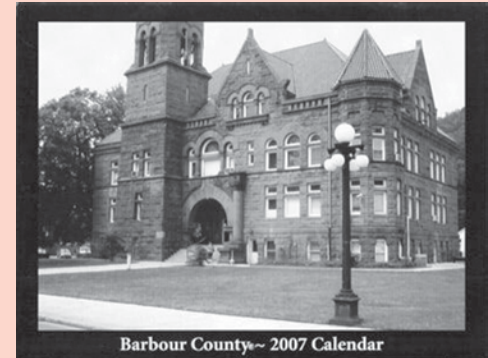

Have a blessed Christmas filled with the peace of Christ and the joy of a loving Savior.

Blessings,

Rev. Dr. Bob Wilkins, Director
